

Ruf Porsche Panamera Long Wheelbase for China

18/01/2012 19:33 by admin

The Chinese are known to have a passion for elongated versions of any car and the latest vehicle to receive such a treatment for what has become the world's largest automotive market is the Porsche Panamera.

The Porsche Panamera long wheelbase has been created by one of the most serious Porsche tuners, Ruf, which has paid a lot of attention to details. The Ruf Panamera XL has been stretched by 40 centimeters, all of which can be translated into rear legroom.

If you just read about this kin... [...]
