

## Audi A7 Tuning Kit by B&B

24/01/2012 10:57 by admin

The Audi A7 has recently received a tuning package from German tuner B&B Automobiltechnik, with the development covering both the aesthetic and the tech sides of the car, focusing on the latter.

The tuner started with the A7's 3.0-liter V6 TFSI supercharged unit, offering three stages of power. Customers who just want some extra muscle get an upgrade of 85 hp and 50 Nm (37 lb-ft). Stage Two brings a sports air filter and an intercooler tweak, taking output to 408 hp and 520 Nm (383 lb-ft). As... [...]
