

2012 Mopar Jeep Compass True North Has Attitude

31/01/2012 18:38 by admin

The Jeep Compass recently got a makeover which gave it the face of a Grand Cherokee, and so the new kid was a prime target for the team at Mopar when they wanted to create their celebratory edition models, all heading to the 2012 Chicago Auto Show.

The collective name of the parts you'll be able to choose from the Mopar catalog is the 'True North' edition. The exterior features a cool makeover that combines the contrast of the shiny paint finish with matte black on the roof, wheel flare... [...]
