

Hennessey Wants To Boost McLaren MP4-12C To 800 HP

31/01/2012 22:38 by admin

Has John Hennessey ever found a fast car he didn't think he could make faster? His next target is the McLaren MP4-12C, which he's planning to turn the power dial up to a stonkin' 800 hp. Better reach for the fireproof suits, boys, because the flames are comin' this way! [...]
