

Mercedes AMG Power Packs from MKB: CL63, CLS63, ML63, S63, SL63

01/02/2012 12:43 by admin

German tuner MKB has announced a sort of general tuning package, targeting all the Mercedes Benz AMG models that pack the recently launched 5.5-liter twin-turbo, as well as one for the wafty 500 V8 that are still around.

The new twin-turbo 5.5-liter V8 has been enhanced by MKS to produce an extra 122 hp and 300 Nm of torque, bringing the total output to 640 hp and 1.000 Nm. This engine is available in the CL63, CLS63, ML63, S63, but also the upcoming SL63 AMG.

The jump in output comes as a...[...]
