Audi recently gave an old looker a bit of a makeover. We are of course talking about the A5 that was described by its designer as being his best work. The refresh Audi came up with ads new headlights with LED tech and a hexagonal grille, as well as an the turbo V6 that replaces the 4.2-liter V8 in the S5.

German tuner ABT Sportsline could not miss the opportunity and has thus created a program that fits the new lines. Thus, the ABT AS5 is born, a model which "combines a precise and harmon... [...]
