The adjacent photo shoot brings together three extreme elements: it all starts with a Mercedes-Benz C63 AMG Coupe, continues with a set of ADV.1 Wheels and ends in Times Square. ADV.1, together with C3Photography decided to give us a photo shoot of a matte black C63 AMG Coupe that rides on its godies, with the real challenge being to take pictures of the car in one of New York's busiest places.

The wheels we are talking about are a set f ADV.1 Trak Function ADV5.0 TF that come in a 19-inch si... [...]
