

Tuned Dodge Challenger SRT8 Stirs up a Crowd in London

07/02/2012 17:44 by admin

The Dodge Challenger, even in SRT8 form, may not be the quintessential sports car, but it is one of those vehicles that will grab the attention of by passers on the road ? especially if it's tuned to look like a real life Hot Wheels car. This footage of the Challenger SRT8 was captured in London. The modified muscle car is said to be owned by the London Motor Museum. You can watch the video right after the break.[...]
