

Audi 3.0 BiTDI Biturbo Diesel Engine Boosted by B&B to 390 HP

07/02/2012 18:45 by admin

The 1s and 0s of Audi launching the 313 hp and 659 Nm (479 lb-ft) 3.0-liter BiTDI V6 diesel engines are still in our cache, but this didn't stop German tuner B&B Automobiltechnik from announcing a three-stage power upgrade program for the unit.

The powerplant is taken to 340 hp and 690 Nm (509 lb-ft) for Stage 1, with this coming thanks to a 0.15 boost pressure increase and an ECU remap and being offered for EUR1,498. As for Stage Two, this can be your for EUR1,698 and brings the game to 365 ... [...]
