

Elia Dresses Up Renault Wind in F1 Colors

10/02/2012 22:20 by admin

Albeit a little late to the party as Renault and Lotus parted ways in F1 at the end of 2011, German tuning firm of all things related to the Renault Group, Elia, has presented a Formula 1-themed version of the Renault Wind. The small French roadster is dressed in the former Lotus Renault GP team's colors with decorative livery placed throughout the body of the car.[...]
