

## Toyota GT 86 Tuned by TOMS

13/02/2012 12:51 by admin

The Toyota GT 86 is an ideal basis for a tuning project (together with its Subaru BRZ and Scion FR-S siblings), so a lot of tuners are preparing to give the world their takes on the coupe.

We are here now to talk about an FT-86 tuning proposal that comes from Japanese tuner TOMS, which has developed an aerodynamic kit for the vehicle. As you can see in the adjacent preview image, the FT 86 has been gifted with a redesigned front fascia, a new rear bumper, as well as a set of multi-spoke light... [...]
