

Evoms Tuned Porsche 997 Turbo with 610HP is No Match for Godzilla SPE750

15/02/2012 03:31 by admin

Remember a video of an SP Engineering-tuned Nissan GT-R 750 being chased on a twisty road by a Ferrari 458 Italia that we showed you last November? Well, the same person that uploaded the aforementioned clip has released a fresh video with the 750-horsepower Godzilla playing around with an Evoms Porsche 997 Turbo with 610HP on a straight line.[...]
