

## Lamborghini Gallardo Superleggera Tuned by EVS Motors

17/02/2012 15:01 by admin

The Lamborghini Gallardo Superleggera is already an exclusive version of the Italian supercar, but the visual differences to the other models are pretty limited, which is why certain users turn to aftermarket developpers in an effort to make their cars stand out in the crowd.

The Superleggera in the adjacent photos comes from the US, where it was tuned by EVS Motors, with the project being a one-off for a special customer. The Raging Bull has been gifted with an new front bumper that imitates tha... [...]
