

## AC Schnitzer Tunes the F30 3-Series for Geneva

23/02/2012 14:17 by admin

AC Schnitzer has shown their very first body kit for the brand new BMW 3-Series to be shown at their Geneva Motor Show stand. All the information regarding the upgrades is for the cosmetic mods, because the tuned engines are not ready yet.

The AC Schnitzer body kit for the F30 3-Series comes with front spoiler, rear roof spoiler, rear spoiler, rear skirt, decals, rear skirt protection foil, and emblems. You can also fit any one of their 8, 19, and 20 inch wheels.
