

AC Schnitzer to Showcase BMW 3-Series F30 Performance Program in Geneva

23/02/2012 21:21 by admin

Joining ABT Sportsline at next month's Geneva Motor Show is another well-known tuning company from Germany, BMW-specialist AC Schnitzer. The German tuner will use the Swiss auto show to present a variety of styling and performance parts for the new 2012 BMW 3-Series sedan, which is also known by its internal codename F30.[...]
