

Prior Design Mercedes CL Black Edition

27/02/2012 23:51 by admin

Mercedes is preparing to debut a new generation of the S-Class this year, with the vehicle set to be pushed further than ever before. It seems that the replacement for the CL will receive the S-Class Coupe designation and some tuners took this as an occasion to release new goodies for what will be the last CL.

Prior Design is giving us an exterior package for the C216 Mercedes-Benz CL, with the kit offering a wide body appearance. We are talking about a revised front fascia, with a splitter, ... [...]
