

Ruf CTR3 Clubsport Leaked

01/03/2012 18:16 by admin

Earlier today, we told you that German aftermarket developer Ruf is preparing to give us no less than six customized Porsches at the upcoming Geneva Motor Show. The company didn't release too many details about its Swiss offensive, but now a photo of the new Clubsport version of the CTR3 has leaked and we're guessing that this is the mysterious racer on the list.

The photo was taken inside the Ruf hq by a reader of Speedheads.de and posted on the blog's Facebook page. We'll remind you that ... [...]
