

E85 Switzer 'Cornzilla' GT-R Returns With 1,000 Horsepower

02/03/2012 00:18 by admin

It's been almost two years since we featured an E85-fueled Nissan GT-R from Switzer. Since then, the Ohio-based tuner has been steadily improving their cornfed-Godzilla conversion package to the tune of a nearly 25% power jump.[...]
