

Kahn Launches Corbeau Sport Seats

07/03/2012 18:01 by admin

The Geneva Motor Show frenzy has offered us some top quality time, but right now we'd like to take a little break and for this we need to come to the office and find some good chairs where we can relax. Hmm... on second thought, we just couldn't disconnect ourselves from the automotive world like that, so what could we do instead?

Well, one answer comes from British aftermarket developer Kahn, which has just announced a new range of custom seats. Dubbed Corbeau, this brings us sport seats dre... [...]
