

Rolls-Royce Phantom Tuning Fail Spotted in London [Video]

08/03/2012 13:12 by admin

Rolls-Royce has recently shown the facelifted version of the Ghost at the Geneva Motor Show, with the vehicle showing extremely discrete visual changes. However, there are some who prefer the Rolls vehicles at the other end of the styling scale, turning to aftermarket developers that just splash the luxurious sedans with extreme colors and finished.

A little bit earlier, we reported the the purple & (real 24K) gold Fenice Milano Rolls-Royce Ghost project has found an owner, with the project,... [...]
