

## Auto Avio Costruzioni Makes a One-Off Alfa Giulietta

12/03/2012 16:10 by admin

Laurent Miller, the man who bought the Auto Avio Costruzioni brand name eight years ago, has churned out his third tuned Alfa Romeo. This time Miller decided to turn his attention on the Giulietta, Alfa's five-door hatch. The car features a unique two-tone paint job with Alfa dark grey for the lower body and a Lamborghini-sourced 'White Ballon' pearl color for most of the upper part of the car and the wheels.[...]
