

Senner Tuning Muscles up the Facelifted Audi S5 Coupe

15/03/2012 01:27 by admin

It's been roughly two years since Senner Tuning presented its own version of the Audi S5 Coupe called the "White Beast". In the meantime, Audi presented the facelifted S5 Coupe, which received a styling makeover but more importantly, a new 3.0-liter supercharged V6 with 328bhp (333PS) that replaced the previous model's 349bhp (354PS) 4.0-liter V8. In tune with Audi's current portfolio, Senner Tuning has unveiled a new package for the 2012 S5 Coupe.[...]
