The Lamborghini Aventador gets all the attention these days... or does it? It looks like aftermarket developers aren't ready to give up the Murcielago just yet, with the latest example of this coming from ADV.1 Wheels, which was recently released a photo shoot of a Murcie LP640 wearing its goodies.

The V12 supercar has been gifted with a set of generously-sized rims that use a two-tone finish, featuring shades of gray which complement that of the car's body and are wrapped in high-performance... [...]
