

ABT Wastes No Time in Preparing a Tune for the 2013 Audi A3

16/03/2012 16:44 by admin

It's only been ten days since the world premiere of the third-generation Audi A3 at the Geneva Motor Show, yet amazingly, we already have an announcement on the first tuning project, courtesy of ABT. The German tuning brand said it is preparing a comprehensive package for the new Audi hatchback marketed under the name AS3 and which will be available for order later this year.[...]
