

Porsche 911 Dressed in Pink [Video]

21/03/2012 18:23 by admin

The Porsche 911 is one of the manliest cars in the world, thanks to the fact that it likes to keep its engine on the back, a habit that becomes extremely dangerous if you send the electronic nannies away and start playing. Thus, seeing such a vehicle being dressed in pink brings a lot of controversy and we're here to share it with you.

The adjacent clip brings us an example of the 997 generation of the 911, which has been covered in the aforementioned color, also receiving matte black element... [...]
