

Mansory Monaco Ferrari 458 Spider

22/03/2012 16:32 by admin

Mansory is well known for abducting supercars and luxury vehicles and fitting them with extremely bold modification packages and it seems that the Swiss tuner is preparing to give us a new taste of its medicine.

The adjacent Youtube video claims that we are looking at the Mansory Monaco Ferrari 458 Spider, a limited edition that will debut at Top Marques Monaco 2012. The vehicle shown here seems to be a photoshopped version of the Siracusa project Mansory displayed at last year's SEMA Motor Show... [...]
