

## Merdad Mer-Nazz Evoque Is So Chelsea! [Video]

23/03/2012 14:40 by admin

Right from the beginning, we loved everything about the Range Rover Evoque with the exception that it doesn't come with a V6. But as time progressed, we started noticing that on the street it still looks like its opulent Chelsea tractor brothers, the regular Range and the Sport.

We looked at it as the perfect answer to the boring shapes of old SUVs and the unimposing regular sedans. But all the people we've seen driving one have thousand-dollar watches, sunglasses and perfect hairstyles, be t... [...]
