

DMC Malaysia Showroom Open: Photos and Video

27/03/2012 16:23 by admin

Famous German supercar tuner DMC has opened a new outlet for the East Asian market in Malaysia. Thankfully, there haven't been any gold-wrapped cars, but there were pretty girls and... a dragon.

With the strong growth of the Asian market, it isn't really a surprise that DMC is focusing on this market. As part of its expansion in South East Asia, DMC has appointed ATP Motorsports in Malaysia as its exclusive dealer. The show room was opened as part of a grand opening: Lamborghinis, Ferraris and...
