Exterior customizing and the Bugatti Veyron go hand in hand these day, and we think owners are deliberately re-wrapping their hypercars once in a while so they don't lose interest in it. This car made the show circuit last year, as it was on display both at the SEMA Show in Las Vegas and at the Los Angeles Auto Show, where this video from CarsandCoffeelrvine was taken.

The white finish makes it look like the ideal car to take to the Gumball 3000 and dirty it all up. With the stickers and othe... [...]
