

Ferrari F430 with Capristo Exhaust Screams [Video]

02/04/2012 19:22 by admin

The Ferrari F430 already comes with an extremely menacing sound when it leaves the factory, but certain owners will always feel the need for more. The adjacent video shows what happens when a V8 made by the Prancing Horse meets an aftermarket exhaust, so please prepare your ears.

The clip, which was uploaded by Youtube user Jorrie2. shows us an example of the 430 that had been fitted with a Capristo exhaust, with the vehicle being filmed during an even called Autobahn Run 2012.

The footage... [...]
