

Stock Mercedes SLS AMG Vs. Tuned BMW M6 and Audi RS6

03/04/2012 23:30 by admin

In this week's drag strip battle, we have a stock Mercedes-Benz SLS AMG with 571-horses competing against two tuned German sports cars, a previous generation BMW M6 Coupe with 530-ponies and an even more powerful Audi RS6 sedan with 750-horses kicking under its hood. This time, the number of ponies played their role in the races, though if it wasn't for a bad start, the Mercedes could have won the match with the Audi as well.[...]
