

SpeedART Shows More of its New SP91-R Package for the 2012 Porsche 911

06/04/2012 19:58 by admin

German tuning Speedart has shared some new photos of a 2012 Porsche 911 fitted with accessories and performance parts from its comprehensive SP91-R program that we first told you about back in January. The exterior bodykit consists of a rear wing designed to be mounted on top of the original spoiler, a rear diffuser, side skirts and a front apron.[...]
