

ABT Reveals its Latest Tuning Take on Volkswagen's T5 Passenger Van

09/04/2012 18:18 by admin

Most German tuning firms have a soft spot for Volkswagen's T5 series of vans and ABT is no exception. The VW Group specialist has presented a new package that treats the passenger version of the T5 with more power and upgraded looks. ABT offers an engine kit for all diesel versions of the T5 starting with the 83hp (84PS) engine that's bumped to 109hp (110PS) and continues with the 101hp (102PS) unit that gets a nudge to 129hp (130PS), and the 2.0-liter TDI with 138hp (140PS) that's boosted to 168hp (170PS).[...]
