

## ABT Audi AS6 Avant

12/04/2012 19:59 by admin

The new Audi A6 Avant has recently received a new modification package from German tuner ABT Sportsline, with the list of goodies targeting the exterior and the tech side of the vehicle. The family wagon has had its 3.0-liter TFSI turbocharged petrol unit boosted from 300 hp and 440 Nm (324lb-ft) to 420 hp and 540 Nm (398 lb-ft), while its fresh 3.0-liter bi-turbo oil burner has been upgraded from 313 hp and 650 Nm (480 lb-ft) to 360 hp a...
