

Kahn Range Rover Sport Capital City Edition

13/04/2012 17:08 by admin

The Range Rover Sport has received a new makeover from British aftermarket company Kahn, with the tuner releasing what it calls the Capital City edition. The SUV was fitted with a 12-piece wide body kit, which includes front and rear autobiography lips, side steps, red face insert, matt pearl grey handles, matte pearl grey side vents, as well as an RS Kahn grille. The vehicle comes dressed in a two-tone white and red exterior coat.[...]
