

How Did The 'World's Fastest Lotus' Crash Into A Freeway Wall?

17/04/2012 18:11 by admin

The Ronin Exige, aka the self-proclaimed 'World's Fastest Lotus', is a supercharged *and* turbocharged 680-horsepower monster. But yesterday morning it was put into the wall of California's 101. Now the owner claims it wasn't his fault — or the car's.
