

Kicherer Gives 2012 Mercedes Benz M-Class a New Look

18/04/2012 11:17 by admin

Crom the C63 to the ML63, Kicherer knows how to make a cool Merc’ cooler, especially if it’s a car with distinct lines. Within the softer shapes and the curving bonnet of the new M-Class, they have managed to find the look of a wide-body sports vehicle in the guised of the new, 2012 generation SUV revealed just last year. The styling package has not yet been fully detailed, and pricing inform... [...]
