

OETTINGER Volkswagen Scirocco

04/01/2009 12:46 by [tuningnews.net](#) - latest news

The new Scirocco is already one of Volkswagen's best looking vehicles, but it was only a matter of time before tuning firms got to work trying to improve it. With a historical link to Scirocco's of the past, it was natural for OETTINGER to come up with a significant reworking of the new model.
