Usually, when we bring you a story about aftermarket rims, we give you a sportscar or a supercar that sits of huge rims with tire walls as thin as a spec of dust. Well, this story is different, as the main character is a Ford F-150 SVT Raptor. Since this is an off-road monster, the guys over at ADV.1 Wheels fitted it with rims and tires that are fit for the kind of abuse which takes place when the tarmac ends. The truck was gifted with a ... [...]
