

## Mansory Siracusa Monaco (Based on 458 Spider) Fist Shots [Video]

18/04/2012 19:48 by admin

Last year, Mansory revealed the first Siracusa based on the Ferrari 458 Italia at the Geneva Motor Show in March. The car was yellow, infused with carbon but a bit ugly from some angles. This is a completely different story by our standards. It's the Mansory Siracusa Monaco, based on the Spider version of the aforementioned Italian stallion. The tuner has not yet released any information on the car, but it was potted out in the ... [...]
