

Redline Chevy Camaro ZL1: Quarter Mile Record [Video]

24/04/2012 17:42 by admin

The Camaro ZL1 is a relatively new car, and the automotive world hasn't yet adjusted to the idea of a musclecar becoming an out-and-out track machine. Yet one tuned version has begun standing out from the pack ever since its customization began. It's the ZL1 created by Redline Motorsports. We know that they've gotten the V8, usually packing 580 hp and 556 lb-ft (754 Nm) of torque, all the way up to 750 horsep... [...]
