Sometimes you just look at a body kit created by some tuner in the heart of Germany and think that it's just another piece of carbon fiber. But that's not the case with Mansory's creations, since they often cost insane sums. LambofanX captured the stunning Mansory Siracusa Monaco at the Top Marques Monaco 2012 for us, revealing some of the more hidden aspects of this car. The interior the Ferrari 458 Spider h... [...]
