

Melissa Grace, a Tuning Model that Likes to Drift and Ride 1,300hp GT-Rs

25/04/2012 17:50 by admin

Every day, hundreds of beautiful women from all over the world put their faces and bodies on the pages of tuning magazines, but one model wants to stand out from the crowd by actually practicing what she advertises ? drifting. Of course that doesn't mean California born model Melisa Grace has abandoned her day job, hence the second video in which she poses on the left seat of a 1,300-horsepower Nissan GT-R for the eyes of HighTechCorvette's YouTube subscribers.[...]
