

## Vorsteiner Announces New Wheels for Lamborghini Gallardo, Aero Package Coming this Fall

25/04/2012 23:51 by admin

Aftermarket tuning company Vorsteiner has released a new set of wheels for the Lamborghini Gallardo series. The collection, which includes 1-piece and 3-piece forged alloy rims codenamed VS-110 and VS-310 series respectively, is said to have been designed specifically for the V10 Italian supercar.[...]
