

V8 Jeep Wrangler Recon Is Ready for Zombie Apocalypse

26/04/2012 17:57 by admin

Everybody who's ever battled the hordes of Zombies when the deadly virus finally hit will tell you the best tactic is to use a narrow choke and a high caliber gun to destroy them, because small arms are a waste of ammunition. That's why you need the M2 Browning machinegun, which uses the very best .50 BMG cartridge, which was actually the perfect match for this gun. So, when the end of the world arrives on December 21...
