

Lorinser 2012 Mercedes M-Class Revealed

27/04/2012 13:43 by admin

Last year, when Mercedes showed the new M-Class at the Frankfurt Auto Show, we expected it to become the new one spoiled child of the tuning world, and indeed it was so, with plenty of cosmetic modes for the German SUV being revealed. The latest to join the game is Lorinser, which has released a set of images of their exterior customization package fitted to a black M-Class. The 2012 model has been enhanced with the help of new bumpers, s... [...]
