

Kahn Unveils Range Rover Evoque Vesuvius [Photo Gallery]

02/05/2012 10:01 by admin

We've seen the Range Rover Evoque's excellent looks being ruined by lots of tuners who confused exclusivity for ugliness. But you can bet that UK tuners Kahn Design know a thing or two about custom Range Rovers, and they did an great job turning it into one of their Vesuvius SUVs. The exterior makeover obviously starts with the Vesuvius orange finish for the body, which is made to pop out more with the help of matte gr... [...]
