

Monaco 2012: Hamann memoR McLaren MP4-12C [Video]

02/05/2012 10:01 by admin

If you thought that the McLaren MP4-12C was a boring looking supercar, designed for efficiency rather than impressing people, Hamann can hook you up with something that's both more track-focused and outlandish looking. The tuner brought their brand new MemoR kit to Top Marques 2012 in Monaco, where LambofanX took this video for us. [...]
