

Dragon-Wrapped Mercedes S65 AMG by Konig Motor [Photo Gallery]

02/05/2012 11:02 by admin

It may not be to everybody's taste, but one thing is certain: the Dragon wrapped Merc S-Class is definitely striking to look at. The only real use for such a car would be as a themed-vehicle for the grand release of some fantasy movie or video game, but for driving around in - who wants the kind of attention this sort of car brings? For those who want something truly unique, you can't do much better than this. Despite ... [...]
