

Lamborghini Aventador Pur Rose Gold Wheels Previewed [Photo Gallery]

02/05/2012 11:02 by admin

US aftermarket developer PUR Wheels has previously released a set of rims that come with a Rose Gold finish and the company is now offering us a new goodie connected to this. After presenting the rims themselves, PUR offered us a photo shoot with these fitted to a Lamborghini Murcielago. That was an extremely pleasant sight, but everybody wanted to know if they can do something for the car that replaces the Murcie, the all-mighty Aventado... [...]
